July 2015

Dear Parent/Carers,
Little Bears Pre-school welcomes you to our warm and friendly sessions, and welcomes any ideas. Each child has their own key person and you will be able to find the information about your child's key person and their role in the front cover of your child's home diary.

Snacks are provided throughout the day taking into account any child's dietary needs, and this can range from a variety of cereals, a choice of fresh fruit, bread sticks, crackers, toast, and raisins. Fresh milk or water is available at snack and children are able to access fresh water throughout the day.

Our policies and procedures are available to view at any time and we are at present bringing all our policies up to date.

Please would parent/carers ring into preschool using the number above, on the first morning of your child's sickness to note an absence, as this could help identify any bugs or illness that other children may have.

Please find a list of our daily routines on the notice board just inside classroom.

Sharing learning at home in June

Can your child find a square, rectangle or a circle shape on a vehicle?

You are welcome to write in your child's diary, any information from this activity or anything happening at home.

Other News

Emilia brought in some butterflies for all the children to look at and investigate.

Children made some butterfly mobiles, and some butterfly painting prints.

A very big thank you to our committee who have applied and been successful in getting us a grant for our garden area.

THANK YOU VERY MUCH

Future Events

Please ask a member of staff if you would like any more details before the event.

Our Focused Topic

Our focused topic for this month will be all about
Transport

We sometimes change our focused planned activity on the day when children bring in something of interest.

Some of the things we will be looking at are

Cars	Planes	Trains
Ambulance	Police vehicles	Fire engine
Diggers	Tractors	Trucks
Helicopters	Buses	Bike/Motor bikes

We welcome any interesting books, pictures, models or even past events or visits relating to transport. Please ask a member of staff if you would like to find out any more details relating to our topics.

Week starting

- 1st June Cars
- 8th June Buses / Bikes
- 15th June Trains / Tractors / Trucks
- 20th June Fire engines / Police cars
