OTHER NEWS

Children have been talking about who's in their family, what jobs are done at home and who's special to them and where they live.

Children have been recognising sounds with different musical instruments and have also been tasting pancakes with assorted toppings.

Garden

We are now looking forward to the better weather coming and children experiencing growing bulbs and plants in our new garden area.

If anyone has any old pots, hand spades, bulbs or herbs we can have a bit of to plant, we would be very grateful and would save pre-school some money. Also is there anyone, Dads, Grandparents, relatives, friends who might be able to build a wooden bench at child's height so the children have a bench to work from, we really would appreciate it.

Topic News

Our new topic for February /March will be Spring.

We sometimes change our focused planned activity on the day when children bring in something of interest.

We welcome any interesting books, magazines for cutting out pictures or photos, relating to our topic.
Thank you.

Week Starting

22/2/2016 Spring flowers and colours

29/2/2016 Spring flowers (Growing and Planting)
St David's day 1st March

7/3/2016 Lambs and Chicks

14/3/2016 Jumping Bunnies (Jumping and hopping)

21/3/2016 Easter Activities

We would like to invite you in to discuss your child's own play plan and next steps,
Jane and Jo would be able to book you in for an approx. a 20 minute appointment during February and March.
We try and get all appointments at the start of a session and keep the visit as normal as possible.
Thank you
